Re: Public Records Request

Dear Public Records Officer:

Pursuant to Article I, Section 24 of the Florida Constitution and Florida’s public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Clerk’s Office promptly produce the following:

All email communications (including email messages, email attachments, calendar invitations, and calendar invitation attachments) pertaining to implementation of Senate Bill (S.B.) 7066 and including (a) any employees or representative of the county clerk of the courts and (b) any of the following:

i. Any Florida county elections officials
ii. Any official of the Florida Department of State (including anyone with an email address ending in @DOS.MyFlorida.com, or @dos.state.fl.us)
iii. Any official of the Florida Department of Corrections (including anyone with an email address ending in @fdc.myflorida.com, or @mail.dc.state.fl.us)
iv. Any employees or representatives of any collections agents under contract by the county

This request includes email communications related to how to determine if an individual with a prior felony conviction has completed all terms of his or her sentence—including whether he or she has paid all court-ordered fines, fees, and/or restitution—and the accuracy of data related to an individual’s completion of his or her sentence.

Please provide all responsive records from November 6, 2018, to the date of the search.

Please notify American Oversight of any anticipated fees or costs in excess of $100 prior to incurring such costs or fees.
American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. Our request includes any attachments to these records. No category of material should be omitted from search, collection, and production.

In addition, American Oversight insists that the Clerk's Office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and the Clerk's Office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
