**Re: Public Records Request**

Dear Mr. Rey:

Pursuant to Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Department of State promptly produce the following:

1. Any information (e.g., guidance, directives, rules, and interpretations of H.B. 281 (2019)) prepared for or provided to local supervisors of elections (SOEs) regarding the exemption from Florida's Public Records Act of information related to a voter registration applicant's or voter's prior felony conviction and whether such person has had his or her voting rights restored.

Please provide all responsive records from July 1, 2019 to the date of the search.

2. Any information (e.g., guidance, directives, rules, and interpretations of H.B. 281 (2019)) prepared or provided by the Florida Office of the Attorney General regarding the exemption from Florida's Public Records Act of information related to a voter registration applicant's or voter's prior felony conviction and whether such person has had his or her voting rights restored.

Please provide all responsive records from July 1, 2019 to the date of the search.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the terms "record" and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request

includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that the Department of State use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and the Department of State can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

### **Conclusion**
