Re: Public Records Request

Dear Public Records Officer:

Pursuant to Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Office of the Florida Attorney General promptly produce the following:

1. All email communications (including emails, email attachments, complete email chains, text messages, calendar invitations, and attachments thereto) between (a) any of the individuals listed below and (b) Attorney General Ashley Moody, or anyone communicating on her behalf, such as a scheduler or assistant:
 - i. U.S. Attorney General William Barr, or anyone communicating on his behalf such as an assistant or scheduler
 - ii. Chief of Staff to Attorney General Barr, Brian Rabbitt
 - iii. Counselor to the Attorney General Will Levi
 - iv. Deputy Attorney General Jeffrey Rosen
 - v. Principal Associate Deputy Attorney General Seth DuCharme
 - vi. Principal Deputy Associate Attorney General Claire McCusker Murray
 - vii. Solicitor General Noel Francisco
 - viii. Principal Deputy Solicitor General Jeff Wall
 - ix. Director of the Office of Management and Budget and Acting White House Chief of Staff Mick Mulvaney, or anyone communicating on his behalf, such as an assistant or scheduler
 - x. Attorney General of South Carolina Alan Wilson, or anyone communicating on his behalf, such as an assistant or scheduler
 - xi. Any employee or representative of the Republican Attorney's General Association, including any communications with an email address ending in republicanags.com

Please provide all responsive records from December 1, 2019, through February 10, 2020.

2. All email communications (including emails, email attachments, complete email chains, text messages, calendar invitations, and attachments thereto) between (a) anyone in the White House Office (including anyone with an email address ending in @who.eop.gov) and (b) Attorney General Ashley Moody, or anyone communicating on her behalf, such as a scheduler or assistant.

Please provide all responsive records from December 1, 2019, through February 10, 2020.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the terms “records,” and “documents,” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages, and transcripts, notes, or minutes of any meetings, telephone conversations, or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
