**Re: Public Information Request**

Dear Records Custodian:

Pursuant to the Kentucky Open Records Act (KORA), K.R.S. § 61.870 *et seq.*, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Office of the Attorney General produce copies of the following records:

All electronic communications and text messages (including emails, text messages, calendar invitations, and attachments thereto) sent by (a) Attorney General Daniel Cameron, or anyone communicating on his behalf (such as a scheduler or assistant), (b) Deputy Attorney General Barry Dunn, or (c) Director of Communications Elizabeth Goss Kuhn containing any of the following key terms:

In an effort to accommodate the Office of the Attorney General and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the specified officials. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both AG Cameron’s response to an email and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from June 1, 2020 through date of search.

**Pursuant to KRS § 61.880(1), American Oversight requests that you notify us within three workdays as to whether you will comply with this request.**

**Statement of Noncommercial Purpose**

This request is for noncommercial purposes, and American Oversight respectfully requests a waiver of any fees associated with processing this request for records. To the extent any fees are charged, pursuant to KRS § 61.874(3), American Oversight asks that such fees be limited to the actual cost of reproduction and exclude the cost of agency staff time.

This request is primarily and fundamentally for non-commercial purposes. American Oversight seeks the records requested to inform the public regarding Kentucky’s vote-by-mail considerations. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including obstacles in availing the option to vote by mail and maintaining the integrity of the election.

Furthermore, as a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>1</sup>
