Re: Public Records Request

Dear Records Officer:

Pursuant to the California Public Records Act, Cal. Gov't Code §§ 6250 et seq., American Oversight makes the following request for records.

On January 6, 2021, rioters stormed the U.S. Capitol, inciting violence that resulted in five deaths.¹ Leandra Blades, a member of the Placentia-Yorba Linda Unified Board of Education in Orange County, attended the rally that culminated in the attack on the U.S. Capitol.²

Requested Records

American Oversight requests that Placentia-Yorba Linda Unified School District Records Department produce the following records within ten days:

- 1) All email communications (including email messages, complete email chains, email attachments, calendar invitations, and calendar attachments) sent by Leandra Blades (including but not limited to communications from lblades@pylisd.org) that contain any of the key terms listed below.

¹ Eric Levenson et al., *What We Know About the 5 Deaths in the Pro-Trump Mob that Stormed the Capitol*, CNN (Jan. 8, 2021, 5:29 PM),

<https://www.cnn.com/2021/01/07/us/capitol-mob-deaths/index.html>.

² Alex Wigglesworth, *These Southern California Officials Rallied in Washington. Now They Face Calls to Resign.*, L.A. Times (Jan. 9, 2021, 3:49 PM),

<https://www.latimes.com/california/story/2021-01-09/these-southern-california-officials-rallied-in-washington-now-they-face-calls-to-resign>.

Please provide all responsive records from January 1, 2021, to January 13, 2021.

Key Terms:

- i. Capitol

- iii. "Save America"
- iv. "Rally to Revival"

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited Item 1 of its request to communications sent by Ms. Blades. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, both Ms. Blades's response to an email containing one of the listed key terms and the initial received message are responsive to this request and should be produced.

- 2) All text messages or messages on messaging applications similar in form to text messages (such as Signal, WhatsApp, Facebook Messenger, Twitter DMs, etc.) sent to or received by Leandra Blades containing any of the key terms listed in Item 1 above.

Please provide all responsive records from January 1, 2021, to January 13, 2021.

American Oversight requests complete text threads/conversations. This means, for example, if Ms. Blades sent or received a text message containing any of the key terms listed above, the complete text thread/conversation for the timeframe listed above should be produced, and not just the message containing the key term.

- 3) Records reflecting any and all expenditures made and/or reimbursed by the school district or other entity within the state or local government in connection with Ms. Blades's trip on or about January 6, 2021, to Washington, D.C., including, but not limited to, records of any reimbursements submitted by or on behalf of Ms. Blades.

Please provide all responsive records from January 1, 2021, to January 13, 2021.

Responsive records would include, but are not limited to, hotel or other lodging invoices or receipts; legislature-issued charge card or travel card reports; receipts from airlines, rental car, or other transportation companies; records reflecting the cost of government transportation; receipts or other records reflecting the cost of meals or refreshments; or records reflecting per diem payments.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks "communications," please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and

transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- If any records are withheld in full or in part, please demonstrate that the record(s) in question are exempt under the express provisions of the California Public Records Act or that the public interest served by not disclosing the record(s) clearly outweighs the public interest served by disclosure of the record(s).¹
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.² If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will

¹ Cal. Gov't Code § 6255(a).

² Cal. Gov't Code § 6253(a).

accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
