### **Re: Public Records Act Request**

Dear Public Records Custodian:

Pursuant to Idaho's Public Records Act, as codified at Chapter 1 of Title 74 of the Idaho Code, I.C. T. 74, Ch. 1, American Oversight makes the following request for records.

The novel coronavirus has infected more than 21 million people and resulted in more than 365,000 deaths in the United States alone.<sup>1</sup> In recent months, the speed and volume of infections have reached record highs across much of the country, surpassing 200,000 average new daily cases.<sup>2</sup> Despite the months-long increase in infections, several state governments are still declining to impose or have only recently imposed public health measures such as mask mandates to mitigate the virus's spread, including in states where the rate of infections is highest.<sup>3</sup>

American Oversight seeks records with the potential to shed light on Idaho's response to the coronavirus pandemic.

### **Requested Records**

Pursuant to Section 74-103(1) of the Idaho Code, American Oversight requests that your office produce the following records within three working days, or, if a longer

period of time is needed and American Oversight is so notified, within ten working days:

Any reports, slide decks, memoranda, email communications, or other documents memorializing or analyzing the results of any polling conducted by or on behalf of your office or otherwise shared with your office regarding public opinion(s) on public health measures to mitigate the spread of coronavirus, including but not limited to lockdowns, business closures, capacity or venue restrictions, curfews, mask mandates, travel restrictions, or other similar measures.

Please provide all responsive records from July 1, 2020, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- In conducting your search, please understand the terms “record,” and “document” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to Idaho’s Public Records Act if they were “prepared” by your agency, including by an employee of your agency.<sup>4</sup>

---

<sup>4</sup> See I.C. § 74-101(13); cf. *Cowles Pub. Co. v. Kootenai Cty. Bd. of Cty. Comm’rs*, 144 Idaho 259, 263 (2007).

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>5</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
