**Re: Sunshine Law Request**

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. §§ 610.010 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight, requests that your office produce copies of the following records within three business days:

1. All calendars or calendar entries for Attorney General Eric Schmitt including any calendars maintained on their behalf, from January 3, 2019 through the date a search is conducted.
2. All calendars or calendar entries for Solicitor General John Sauer, including any calendars maintained on their behalf, from January 1, 2018 through the date a search is conducted.

For parts 1 and 2 of this request, American Oversight requests that the calendars be produced in a format that includes all invitees, any notes, and all attachments. Please do not limit your search to Outlook calendars; we request the production of any calendar—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how Schmitt and Sauer allocate their time on agency business.

The search should include any calendars associated with their individual email accounts, as well as any official calendars maintained for them, including by their administrative assistants or schedulers.

3. All records reflecting costs reimbursed or paid directly by your agency for any reimbursable expenses attributable to trips undertaken by Attorney General Eric Schmitt

4. All records reflecting costs reimbursed or paid directly by your agency for any reimbursable expenses attributable to trips undertaken by Solicitor General Sauer.

To the extent your office has aggregated records sufficient to show all relevant expenses and costs, such as spreadsheets, American Oversight would accept production of such records as sufficient. To the extent your office does not have an aggregated record of these costs, American Oversight requests records reflecting those costs, such as receipts, invoices, charge card or credit card statements, and reimbursement requests.

For part 3 of this request, please provide all responsive records from January 3, 2019 through the date a search is conducted.

For part 4 of this request, please provide all responsive records from January 1, 2018 through the date a search is conducted.

### **Fee Waiver Request**

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”<sup>1</sup> The public has a significant interest in how Attorney General Schmitt and Solicitor General Sauer spend their time and in any potential communications about the events of January 6, 2021 at the U.S. Capitol. Records with the potential to shed light on these matters would contribute significantly to public understanding of operations of the government, including with whom Attorney General Schmitt and Solicitor General Sauer choose to meet, what events and meetings they spend taxpayer funds to attend, and with who, they have communicated about the events of January 6, 2021 at the U.S. Capitol. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>2</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government

officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>3</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>4</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization’s investigations into misconduct and corruption in state governments;<sup>5</sup> posting records and analysis of federal and state governments’ responses to the Coronavirus pandemic;<sup>6</sup> posting records received as part of American Oversight’s “Audit the Wall” project to gather and analyze information related to the Trump administration’s proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;<sup>7</sup> and the posting of records related to an ethics waiver received by a senior U.S. Department of Justice attorney and an

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.<sup>9</sup>
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>10</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this
