Re: Public Information Request

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, as codified at Tex. Code ch. 552, American Oversight makes the following request for public records.

On January 6, 2021, Texas elected officials including Representative Kyle Biedermann, Senator Angela Paxton, and Texas Attorney General Ken Paxton reportedly participated in the rally outside of the U.S. Capitol, from which a riotous crowd then stormed the building after former President Donald Trump's speech.¹ According to reports, none of these officials was involved in storming the Capitol building.²

American Oversight seeks records with the potential to shed light on their potential participation, knowledge of, and involvement in attempting to overturn the 2020 election.

Requested Records

American Oversight requests that your office promptly produce the following:

- 1) All email communications (including email messages, complete email chains, email attachments, calendar invitations, and calendar attachments) sent by Rep. Kyle Biedermann containing any of the key terms listed below.

Please provide all responsive records from January 1, 2021, through January 14, 2021.

Key terms:

- i. "Stop the steal"
- ii. "Save America"
- iii. Storm
- iv. Biden
- v. Congress
- vi. DC
- vii. D.C.
- viii. Washington
- ix. RNC
- x. DNC
- xi. Patriot
- xii. Pelosi
- xiii. Pence
- xiv. Schumer
- xv. "Our House"
- xvi. MAGA
- xvii. KAG
- xviii. "great again"
- xix. caravan

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited Item 1 of its request to communications sent by Rep. Kyle Biedermann. However, American Oversight still requests that complete email chains be produced. This means, for example, that both Rep. Biedermann's response to an email containing one of the listed key terms and the initial received message are responsive to this request and should be produced.

- 2) All text message threads/conversations, or message threads/conversations on similar applications (such as Signal, WhatsApp, or Facebook Messenger) sent to or received by Rep. Kyle Biedermann containing any of the key terms listed in Item 1 above.

Please provide all responsive records from January 1, 2021, through January 14, 2021.

American Oversight requests complete text threads/conversations. This means, for example, if Rep. Biedermann sent or received a text message containing any of the key terms listed above, the complete text thread/conversation for the timeframe listed above should be produced, and not just the message containing the key term.

- 3) Records reflecting any and all expenditures made and/or reimbursed by the local or state government in connection with Rep. Kyle Biedermann on or about January 6, 2021 to Washington, DC, including, but not limited to, records of any reimbursements submitted by or on behalf of Rep. Biedermann.

Responsive records would include, but are not limited to, hotel or other lodging invoices or receipts; government-issued charge card or travel card reports; receipts from airlines, rental car, or other transportation companies; records reflecting the cost of government transportation; receipts or other records reflecting the cost of meals or refreshments; or records reflecting per diem payments.

Please provide all responsive records from January 1, 2021, through the date a search is conducted.

- 4) All photographs, videos, or audio recordings taken on any device operated by Rep. Kyle Biedermann between January 4, 2021, and January 7, 2021.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; governmental authorities may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Please search all records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of a governmental authority’s officer or employee constitutes a record for purposes of the Texas Public Information Act.³

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

³ Tex. Code § 552.002(a-2); see also *Adkisson v. Paxton*, 459 S.W.3d 761, 773 (Tex. App. 2015).

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Fee Waiver Request

In accordance with Tex. Code § 552.267(a), American Oversight requests a waiver of fees associated with processing this request for records because such a waiver “is in the public interest because providing the copy of the information primarily benefits the general public.” The requested records are directly related to the work of state officials and have the potential to shed light on the actions they took during the January 6 rally that resulted in an attack on the Capitol. These records would help reveal, for instance, whether elected officials sought reimbursements for their travel to the rally or if they used government devices and accounts to communicate with the rally organizers. This issue is a subject of substantial public interest in Texas.⁴ Accordingly, release of records that may help the public understand the operations and activities of state officials is in the public interest.

Release of the requested records will primarily benefit the public.⁵ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the requested records is not in American Oversight’s financial interest, but is rather in the public interest. American Oversight is committed to transparency and makes the responses governmental authorities provide to public records requests publicly
