Re: Public Information Request

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, as codified at Tex. Code ch. 552, American Oversight makes the following request for public records.

Attorney General Ken Paxton recently took a trip to the US/Mexico Border in Texas to highlight what he describes as “the Biden Administration’s failing policies” along the border.¹ American Oversight seeks records with the potential to shed light on Attorney General Paxton’s trip.

Requested Records

American Oversight requests that the Office of the Attorney General promptly produce the following:

1. All email communications (including emails, email attachments, complete email chains, and calendar invitations) sent by Attorney General Ken Paxton, or anyone communicating on his behalf such as a Chief of Staff, scheduler, or assistant, regarding Attorney General Paxton’s trip to the US/Mexico border on or about April 28, 2021.²

In an effort to accommodate the Office of the Attorney General and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by Attorney General Paxton. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Paxton’s response to an email

about the trip and the initial received message are responsive to this request and should be produced.

2. Records reflecting the expenses and costs incurred by the Office of the Attorney General related to Attorney General Paxton's trip to the US/Mexico Border on or about April 30, 2021.³

To the extent your office has aggregated records sufficient to show all relevant expenses and costs, such as spreadsheets, American Oversight would accept production of such records as sufficient. To the extent your office does not have an aggregated record of these costs, American Oversight requests records reflecting those costs, such as receipts, invoices, charge card or credit card statements, and reimbursement requests.

Relevant expenses may include, but are not limited to, hotel or other lodging costs; costs for air travel, rental car, or other transportation companies; costs incurred for government transportation; the cost of meals or refreshments; and diem payments.

Relevant expenses include costs associated with the travel of Attorney General Paxton of any staff members, family members, or other individuals travelling with him.

Please provide all responsive records from April 21, 2021 through May 15, 2021.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term "record" in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; governmental authorities may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Please search all records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email**

accounts. Emails conducting government business sent or received on the personal account of a governmental authority's officer or employee constitutes a record for purposes of the Texas Public Information Act.⁴

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Fee Waiver Request

In accordance with Tex. Code § 552.267(a), American Oversight requests a waiver of fees associated with processing this request for records, because such a waiver “is in the public interest because providing the copy of the information primarily benefits the general public.” The requested records are directly related to the work of state officials, with the potential to shed light on the communications and costs to taxpayers surrounding a trip taken by Attorney General Paxton. Matter is a subject of substantial public interest in Texas.⁵ Accordingly, release of records that may help the public understand the operations and activities of state officials is in the public interest.
