Re: Sunshine Law Request

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. §§ 610.010 et seq., American Oversight makes the following request for records of the House Independent Bipartisan Citizens Redistricting Commission.

Requested Records

American Oversight requests that the House Independent Bipartisan Citizens Redistricting Commission produce copies of the following records within three business days:

1. A complete copy (including any attachments) of any contract, amendment, memorandum of understanding, or other written agreement regarding external entities providing services relevant to the state or congressional redistricting processes, including, but not limited to, agreements with providers of map drawing software, consultants, advisors, or legal counsel.
2. A complete copy of any unpublished formal or informal guidance, directives, memoranda, or other policy document pertaining to redistricting.
3. Any district boundary proposals produced by any member of the House Independent Bipartisan Citizens Redistricting Commission, any House Independent Bipartisan Citizens Redistricting Commission staff member, or any entity commissioned or contracted by the House Independent Bipartisan Citizens Redistricting Commission, as well as any related data analyses.
4. Any records containing assessments, interpretations, or opinions concerning data from the 2020 Census or the 2020 American Community Survey (ACS).
5. Records reflecting any training materials used to inform any member of the House Independent Bipartisan Citizens Redistricting Commission, any

Commission staff, or any entity commissioned or contracted by the House Independent Bipartisan Citizens Redistricting Commission of their roles or responsibilities.

6. Any records containing any formal or informal appraisal of or comment on any content or public comment submitted to the House Independent Bipartisan Citizens Redistricting Commission by members of the public.

Please provide all responsive records from January 1, 2021, through the date the search is conducted.

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”¹ The public has a significant interest in Missouri’s redistricting process.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the processes by which district boundaries are drafted and finalized. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁴

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.¹⁰
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹¹ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
