Re: Freedom of Access Request

Dear Senator Stewart and Secretary Grant:

Pursuant to the Maine Freedom of Access Act, Me. Rev. Stat. tit. 1, §§ 400 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that the office of Senator Stewart produce the following records within a reasonable period of time:

All email communications (including complete email chains and email attachments) received by Senator Stewart from ALEC Connect¹ (including, but not limited to, all emails received from any email address ending in candoris.com).

Email messages sent via ALEC Connect may be truncated when displayed on Senator Stewart's email client. If this is the case, it may be necessary to log into ALEC Connect to identify complete copies of the responsive records.

Please do not limit your search to government-issued email accounts. We request the production of any emails, whether on government-issued or personal accounts, received from ALEC Connect.

¹ ALEC Connect is the online portal of the American Legislative Exchange Council. As a member of ALEC, Senator Stewart has access to ALEC Connect and its content. *See Convening Ideas Across the States*, State Policy Network, Dec. 5, 2019, <https://spn.org/blog/convening-ideas-across-the-states/>; Nick Surgey, *Weapons, Tobacco Makers, Koch Group Are Among Newest ALEC Members*, Documented, Dec. 2, 2020, <https://documented.net/2020/11/weapons-tobacco-makers-koch-group-are-among-newest-alec-members/>.

Please provide all responsive records from August 1, 2019, through the date the search is conducted.

Fee Waiver Request

In accordance with Me. Rev. Stat. tit. 1, § 408-A(11)(B), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information will contribute significantly to public understanding of the operations of the government.² The public has a significant interest in the influence of ALEC, a group that convenes state legislators to coordinate legislative priorities and solutions.³ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Maine state legislators have been influenced in their official duties by ALEC or ALEC members. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁴

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request. If you do not understand any part of this request, please contact Emma Lewis at records@americanoversight.org or 202.919.6303. Also, if American Oversight's request for a fee waiver is not granted in full, please contact us immediately upon making such a determination.
