Re: Public Records Act Request

Dear Public Records Custodian:

Pursuant to the North Carolina Public Records Act, as codified at North Carolina General Statutes ch. 132, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the New Hanover County Board of Elections produce the following records as promptly as possible:

1. All email communications (including emails, email attachments, calendar invitations, and calendar invitation attachments) between (a) any member or staff of the New Hanover County Board of Elections (including, but not limited to, the members and staff listed below), and (b) anyone communicating on behalf of Voter Integrity Project (including, but not limited to, the individuals listed below and anyone communicating from an email address ending in @voterintegrityproject.com)

New Hanover County Board of Elections:
  i. Oliver Carter III
  ii. Russ C. Bryan
  iii. Lyana G. Hunter
  iv. Bruce Kemp
  v. Derrick R. Miller
  vi. Rae Hunter-Havens
  vii. Caroline Dawkins

Voter Integrity Project:
  i. Jay DeLancy
  ii. John Pizzo
  iii. Deirdre Morrison
  iv. Lisa Marley (including, but not limited to, at lisa@lmkfamily.com)
  v. Matt Braynard
2. All written materials provided to any board or staff member of the New Hanover County Board of Elections (including, but not limited to, the members and staff of the New Hanover County Board of Elections listed above) by any member or representative of Voter Integrity Project (including, but not limited to, the individuals listed above) regardless of delivery method (e.g., hand-delivered, sent by facsimile machine, sent by mail).

3. All email communications (including emails, email attachments, calendar invitations, and calendar invitation attachments) sent by any member or staff of the New Hanover County Board of Elections (including, but not limited to, the members and staff of the New Hanover County Board of Elections listed above) containing the terms “Voter Integrity Project,” “VIP,” “DeLancy,” “Pizzo,” “Deirdre Morrison,” “Marley,” “Braynard,” or “voterintegrityproject.com.”

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited item 3 of its request to emails sent by the referenced New Hanover County officials or employees. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a Board of Elections board or staff member’s email response containing “Voter Integrity Project” and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from October 1, 2020, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of $100 prior to incurring such costs or fee.

 Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind.¹ We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Public Records Act.²

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and

¹ N.C. Gen. Stat. Ann. § 132-1(a) (public records consist of documentary material “regardless of physical form or characteristics.”).
your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
