Re: Public Records Request

Dear Public Records Officer:

Pursuant to the Arizona Public Records Law, A.R.S. §§ 39-121 *et seq.*, American Oversight makes the following request for records.

Records released to American Oversight indicate that Arizona Senator Wendy Rogers has sent several emails titled “After Action Report” regarding the Senate’s “audit” of Maricopa County’s November 2020 election results, which include her commentary and characterization of the operation led by Cyber Ninjas.¹

American Oversight seeks all such “After Action Report” emails sent by Senator Rogers and related records.

Requested Records

American Oversight requests that the Arizona Senate promptly produce the following records:

- A. Complete copies of all “After Action Report” emails² sent by Senator Wendy Rogers, including any attachments, regarding the Arizona Senate’s “audit” of Maricopa County’s election results, whether sent from governmental or personal email addresses.
- B. Records sufficient to identify the list of recipients on each “After Action Report” email, including any cc’ed or bcc’ed recipients.

For Parts A and B of this request, please provide all responsive records from November 3, 2020, through the date the search is conducted.

Statement of Noncommercial Purpose

This request is made for noncommercial purposes. American Oversight seeks records regarding the Arizona Senate’s partisan investigation of the November 2020 election in Maricopa County. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including how Senator Rogers characterized the progress of the “audit” to external parties.

Because American Oversight is a 501(c)(3) nonprofit, this request is not in American Oversight’s financial interest and is not made for a commercial purpose. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.³

Because this request is made for noncommercial purposes, American Oversight requests that any fees charged in connection with processing this request be limited to copying and postage charges, if applicable.⁴ Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.
