Re: Public Records Request

Dear Public Records Officer:

Pursuant to Article I, section 24(a), of the Florida Constitution and Florida Senate Rule 1.48, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office promptly produce the following:

1. All email communications (including emails, email attachments, complete email chains, and calendar invitations) between (a) Senator Rodrigues or anyone communicating on Rodrigues's behalf, such as a chief of staff, scheduler, or assistant, and (b) anyone communicating on behalf of ALEC, including, but not limited to, from any email address ending in @alec.org.
2. All email communications (including emails, email attachments, complete email chains, and calendar invitations) sent by Senator Rodrigues or anyone communicating on his behalf, such as a chief of staff, scheduler, or assistant, containing any of the following terms:
 - a. ALEC
 - b. "American Legislative Exchange Council"
 - c. "Honest Elections"
 - d. HEP

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has

limited Part 2 of its request to emails sent by Senator Rodrigues, or on his behalf. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Senator Rodrigues's response to an email containing a listed key term and the initial received message are responsive to this request and should be produced.

3. All records reflecting the contents of and attendees at the 48th American Legislative Exchange Council (ALEC) Annual Meeting, held July 28-30, 2021, in Salt Lake City, Utah. This request encompasses any documents concerning the meeting or the contents of the meeting, including handouts, agendas, presentation materials, summaries, or notes (electronic or handwritten) provided to or created by Senator Rodrigues.

Please provide all responsive records from May 1, 2021, through September 1, 2021.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term "record" in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records

potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
