Re: Public Information Request

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, as codified at Tex. Code ch. 552, American Oversight makes the following request for public records.

Requested Records

American Oversight requests that the Office of the Attorney General promptly produce the following:

1. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) and all text message threads/conversations between (a) any of the Texas Office of the Attorney General officials listed below, and (b) U.S. Representative Gary Palmer or former Alabama Supreme Court Justice Glenn Murdock, or anyone communicating on their behalf.

Texas Office of the Attorney General Officials:

- a. Ken Paxton, Attorney General (or anyone communicating on their behalf, such as an assistant or scheduler)
 - b. Anyone serving as Chief of Staff to Attorney General Paxton
 - c. Brent Webster, First Assistant Attorney General
 - d. Kyle Hawkins, Solicitor General
 - e. Judd Stone, Solicitor General
 - f. Anyone serving as Deputy Solicitor General (including, but not limited to, Matthew Frederick and Bill Davis)
 - g. Lawrence Joseph, Special Counsel to the Attorney General
2. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) and all text message threads/conversations sent or received by any of the Office of the Attorney General officials listed above containing any of the search terms listed below.

Search Terms

- i. “Gary Palmer”
- ii. “Representative Palmer”
- iii. “Rep. Palmer”
- iv. “Glenn Murdock”
- v. “Justice Murdock”

For the text message portion of request item 2, American Oversight requests that full text message threads/conversations be produced. For example, if Attorney General Paxton sent or received a text message referencing “Gary Palmer,” the complete thread/conversation spanning two days (48 hours) prior to the sending or receipt of the message through two days (48 hours) following the sending or receipt of the message should be produced, and not just the message containing the key term.

Please provide all responsive records from November 1, 2020, through February 1, 2021.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; governmental authorities may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Please search all records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of a governmental authority’s officer or employee constitutes a record for purposes of the Texas Public Information Act.¹

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments,

¹ Tex. Code § 552.002(a-2); see also *Adkisson v. Paxton*, 459 S.W.3d 761, 773 (Tex. App. 2015).

but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Fee Waiver Request

In accordance with Tex. Code § 552.267(a), American Oversight requests a waiver of fees associated with processing this request for records, because such a waiver “is in the public interest because providing the copy of the information primarily benefits the general public.” The requested records are directly related to the work of state officials, with the potential to shed light on election-related legal actions considered by the Office of the Attorney General after the 2020 general election. This matter is a subject of substantial public interest in Texas.² Accordingly, release of records that may help the public understand the operations and activities of state officials is in the public interest.

Release of the requested records will primarily benefit the public.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the requested records is not in American Oversight’s financial interest, but is rather in the public interest. American Oversight is committed to transparency and makes the responses governmental authorities provide to public records requests publicly available. As noted, the subject of this request is a matter of public interest, and the public would benefit from an enhanced understanding of the government’s activities
