Re: Government Records and Access Management Act Request

Dear Agency GRAMA Responder:

Pursuant to the Utah Government Records Access and Management Act (GRAMA), Utah Code § 63G-2-101 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records within ten business days:

All email communications (including emails, email attachments, complete email chains, and calendar invitations) and text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, Twitter direct messages, Facebook messages, WhatsApp, Signal, Telegram, The Buzz, or Parler) between (a) Attorney General Sean Reyes, Solicitor General Melissa Holyoak, or anyone communicating on Reyes' or Holyoak's behalf such as a Chief of Staff, scheduler, or assistant and (b) any of the outside entities listed below:

Outside Entities:

- a. Anyone communicating from America First Legal, including Stephen Miller, Ken Starr, Mark Meadows, Gene Hamilton, Jim DeMint, Matthew Whitaker, Russ Vought, Reed Rubenstein, or anyone communicating from an email address ending in @aflegal.org
- b. Anyone communicating from the Conservative Partnership Institute, including Ed Corrigan, Wesley Denton or anyone communicating from an email address ending in @conservativepartnership.org or @cpi.org.

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Attorney General Reyes received a mass-distribution news clip email from Stephen Miller, that

initial email would not be responsive to this request. However, if Reyes responded to that email with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from March 15, 2021, through the date the request is received.

Fee Waiver Request

In accordance with Utah Code § 63G-2-203(4)(a), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested information will primarily benefit the public rather than a person, because the requested records will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information primarily benefits the public rather than a person.¹ The public has a significant interest in the communications Attorney General Reyes may be having groups and individuals outside of the government.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Reyes is communicating with America First Legal. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

Furthermore, this request is not for American Oversight's personal or financial interest. As described above, this request is primarily and fundamentally made for the purpose of educating the public and is not made for any commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.³

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁴ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization’s investigations into misconduct and corruption in state governments;⁵ posting records and analysis of federal and state governments’ responses to the Coronavirus pandemic;⁶ posting records received as part of American Oversight’s “Audit the Wall” project to gather and analyze information related to the Trump administration’s proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;⁷ and the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department’s process for issuing such waivers.⁸

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or

incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request. If you do not understand any part of this request, please contact Emma Lewis at records@americanoversight.org or (202) 919-6303. Also, if American Oversight's request for a fee waiver is not granted in full, please contact us immediately upon making such a determination.
