**Re: Open Records Act Request**

Dear Records Access Officer:

Pursuant to the Oklahoma Open Records Act, O.S. tit. 51, §§ 24A.1 *et seq.*, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your office produce the following records within five business days:

1. Records sufficient to identify the names<sup>1</sup> and job titles of each Office of the Attorney General employee (a) temporarily or permanently assigned to cases concerning mask mandates or (b) temporarily or permanently working in support of those employees assigned to cases concerning mask mandates.
2. Records sufficient to identify the total number of pending cases concerning mask mandates.
3. Records sufficient to identify the total number of resolved cases (including, but not limited to, cases resulting in a finding of guilt or liability, cases resolved by plea or stipulation, or dismissed cases) concerning mask mandates.
4. Records sufficient to identify all costs and expenses incurred for cases concerning mask mandates, including but not limited to legal billing statements.

Please provide all responsive records for each month from July 2021 through January 2022. (*i.e.*, July 2021, August 2021, September 2021, October 2021, November 2021, December 2021, and January 2022).

---

<sup>1</sup> In lieu of names of individual employees, American Oversight would also accept records sufficient to identify the total number of employees assigned to cases concerning mask mandates.

## Fee Waiver Request

In accordance with 51 O.S. tit. 51, § 24A.5(4), American Oversight requests that your office charge no search fees in connection with processing this request for records. Release of the requested records “is in the public interest,” because American Oversight, in accordance with its organizational mission, makes this request “to determine whether those entrusted with the affairs of the government are honestly, faithfully, and competently performing their duties as public servants.”<sup>2</sup> Specifically, the requested records have the potential to shed light on resources allocated by the Oklahoma Office of the Attorney General’s office to pursue legal challenges to mask mandates. Records with the potential to shed light on this matter would contribute significantly to public understanding of the extent to which public servants are fulfilling their duties, including by identifying the extent of resources the Office of the Attorney General is allocating toward defeating mask mandates.

American Oversight’s work is aimed solely at serving the public interest.<sup>3</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. Rather, American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. Similar to members of the news media, American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>4</sup> American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>5</sup>

American Oversight is committed to transparency and makes the responses public bodies provide to public records requests publicly available, and the public’s

understanding of the government’s activities—including whether public servants are honestly, faithfully, and competently performing their duties—would be enhanced through American Oversight’s analysis and publication of these records.

Therefore, in accordance with O.S. tit. 51, § 24A.5(4), American Oversight respectfully requests that you limit any copying fees to the reasonable, direct costs of record copying, or mechanical reproduction, if any such costs are incurred.

American Oversight asks that if its request for a fee waiver is denied in whole or in part, that you contact us prior to incurring any costs.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>6</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
