**Re: Public Records Request**

Dear Public Records Officer:

Pursuant to Article I, section 24(a), of the Florida Constitution, and Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your office promptly produce the following:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) and text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, Twitter direct messages, Facebook messages, WhatsApp, Signal, Telegram, or Parler) between (a) any of the officials listed below, and (b) any of the external entities listed below or anyone communicating on behalf of any of the entities listed below (including, but not limited to, at the listed email addresses and/or domains).

**Officials:**

- i. Governor Ron DeSantis, or anyone communicating on his behalf such as an assistant or scheduler
- ii. Adrian Lukis, James Uthmeier, or anyone acting as Chief of Staff
- iii. Taryn Fenske, or anyone acting as Director of Communications

- ii. One America News Network (oann.com or anyone communicating from [therealstoryoan@gmail.com](mailto:therealstoryoan@gmail.com)), Graham Ledger ([grahamledger@yahoo.com](mailto:grahamledger@yahoo.com)), or Christina Bobb ([christina.bobb@protonmail.com](mailto:christina.bobb@protonmail.com))
- iii. Sinclair Broadcast Group (sbgi.net)
- iv. Newsmax (newsmax.com)
- v. Daily Caller (dailycaller.com)
- vi. Breitbart (breitbart.com)
- vii. The Gateway Pundit (thegatewaypundit.com)
- viii. Infowars (infowars.com)
- ix. Anyone communicating on behalf of *Bannon's War Room*, including, but not limited to, Raheem Kassam

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Governor DeSantis received a mass-distribution news clip email from one of the specified entities, that initial email would not be responsive to this request. However, if Governor DeSantis forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from March 1, 2021, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your agency use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the

requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
