Re: Sunshine Law Request

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. § 610.010 *et seq.*, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce copies of the following records within three business days:

1. All email communications (including emails, email attachments, complete email chains, and calendar invitations) and text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, Twitter direct messages, Facebook messages, WhatsApp, Signal, Telegram, The Buzz, or Parler) between (a) Attorney General Eric Schmitt, Solicitor General D. John Sauer, Assistant Deputy Attorney General for Special Litigation Justin Smith, or anyone communicating on their behalf such as a Chief of Staff, scheduler, or assistant and (b) any of the outside entities listed below:

Outside Entities:

- a. Anyone communicating from America First Legal, including Stephen Miller, Ken Starr, Mark Meadows, Gene Hamilton, Jim DeMint, Matthew Whitaker, Russ Vought, Reed Rubenstein, or anyone communicating from an email address ending in @aflegal.org
- b. Anyone communicating from the Conservative Partnership Institute, including Ed Corrigan, Wesley Denton, or anyone communicating from an email address ending in @conservativepartnership.org or @cpi.org
- c. Anyone communicating on behalf of the Alaska Attorney General's office, including anyone communicating from an email address ending in @alaska.gov

- d. Anyone communicating on behalf of the Arkansas Attorney General's office, including anyone communicating from an email address ending in @arkansasag.gov
- e. Anyone communicating on behalf of the Florida Attorney General's office, including anyone communicating from an email address ending in @myfloridalegal.com
- f. Anyone communicating on behalf of the Indiana Attorney General's office, including anyone communicating from an email address ending in @atg.in.gov
- g. Anyone communicating on behalf of the Texas Attorney General's office, including anyone communicating from an email address ending in @texasattorneygeneral.gov or @oag.texas.gov
- h. Anyone communicating on behalf of the Montana Attorney General's office, including anyone communicating from an email address ending in @mt.gov
- i. Anyone communicating on behalf of the Oklahoma Attorney General's office, including anyone communicating from an email address ending in @oag.ok.gov
- j. Anyone communicating on behalf of the South Carolina Attorney General's office, including anyone communicating from an email address ending in @scag.gov
- k. Jonathan Bronitksy (jonathan@athospr.com)
- l. Alexei Woltornist (alexei@athospr.com)

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Attorney General Schmitt received a mass-distribution news clip email from the Conservative Partnership Institute, that initial email would not be responsive to this request. However, if Schmitt forwarded or responded to that email with his own commentary, that subsequent message would be responsive to this request and should be produced with the complete email chain.

2. All email communications (including emails, email attachments, complete email chains, and calendar invitations) sent by (a) Attorney General Eric Schmitt, Solicitor General D. John Sauer, Assistant Deputy Attorney General for Special Litigation Justin Smith or anyone communicating on their behalf such as a Chief of Staff, scheduler, or assistant containing the key terms listed below:
 - a. AFL
 - b. "America First Legal"
 - c. "Stephen Miller"
 - d. Meadows
 - e. Whitaker
 - f. Vought
 - g. Hamilton

- h. Corrigan
- i. Denton
- j. Athos

In an effort to accommodate the Office of the Attorney General and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the specified custodians. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Attorney General Schmitt’s response to an email from containing a key term and the initial received message are responsive to this request and should be produced.

For both parts of this request, please provide all responsive records from September 21, 2021, through January 27, 2022.

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”¹ The public has a significant interest in communications officials from the Office of the Attorney General may be having with individuals from America First Legal.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent individuals from the Office of the Attorney General are consulting, coordinating, and communicating with individuals from America First Legal. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹⁰ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more
