Re: Public Information Request

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, as codified at Tex. Code ch. 552, American Oversight makes the following request for public records.

Requested Records

American Oversight requests that the Texas Secretary of State promptly produce the following:

1. All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat, Google Hangouts, Lync, Skype, WhatsApp, Signal, Parler, or Telegram), telephone call logs, calendar invitations, calendar entries, meeting agendas, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) between (a) Secretary of State John Scott or Executive Assistant and Scheduler Kim Bergmann, and (b) any of the external individuals listed below (including, but not limited to, at the listed phone numbers or email addresses).

External Individuals:

- i. Buff Kizer
- ii. Jay Meadows (817-475-1696)
- iii. Alan Vera (alanv@tqba.com, 713-253-6569)
- iv. Melinda Maxwell (AKA Melinda Beane) (204-734-1199)
- v. Paul Parker (214-280-7716)
- vi. Scott Britton (214-208-5051)
- vii. Chad Fillmore (chad@fillmorefirm.com)
- viii. Russ Ramsland (ryuks9sq@alliedspecialops.us,
yrku9sqs@protonmail.com)

American Oversight has provided identifying information, when possible, but believes your office is best positioned to identify email addresses and phone numbers of the listed external individuals.

2. All records reflecting the substance of any meeting between Secretary of State John Scott and any of the external individuals listed above, including, but not limited to: complete calendar invitations; meeting agendas; talking points; formal or informal meeting notes, readouts, transcripts, or other records of the meeting's content; and records shared during or in connection with the meeting.

American Oversight previously received records suggesting that Secretary Scott met with a subset of the external individuals listed above on or around December 10, 2021. In following up on that meeting, Jay Meadows, Alan Vera, Melinda Maxwell, Paul Parker, and Scott Britton recommended that Secretary of Scott reach out to Russ Ramsland. Therefore, American Oversight believes that, at a minimum, responsive records should reflect the substance of the December 10th meeting as well as any other engagements with the external individuals listed above.

Please provide all responsive records from September 1, 2021, through the date the search is conducted.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term "record" in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; governmental authorities may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Please search all records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal

account of a governmental authority's officer or employee constitutes a record for purposes of the Texas Public Information Act.¹

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Fee Waiver Request

In accordance with Tex. Code § 552.267(a), American Oversight requests a waiver of fees associated with processing this request for records, because such a waiver “is in the public interest because providing the copy of the information primarily benefits the general public.” The requested records are directly related to the work of state officials, with the potential to shed light on the Texas Secretary of State's efforts to safeguard Texas' election infrastructure.
