**Re: Written Request for Disclosure of Records**

Dear Public Records Officer:

Pursuant to the South Dakota Public Records Act, S.D.C.L. Chapter 1-27, and the requirements of S.D.C.L. § 1-27-37 regarding written requests for the disclosure of records following denial in whole or in part of an informal request, American Oversight makes the following written request for records.

**Requested Records**

American Oversight requests that the Office of the Governor produce the following records within ten business days:

All email communications (including emails, email attachments, complete email chains, and calendar invitations) between the Office of the Governor officials specified in Column A, and anyone communicating on behalf of the external individuals and entities listed in Column B, including, but not limited to, at the provided email addresses and domains.

<b>Column A: Office of the Governor Officials</b>	<b>Column B: External Individuals &amp; Entities</b>
1. Governor Kristi Noem	1. SHOT Show (@shotshow.org)
2. Chief of Staff Mark Miller	2. National Shooting Sports Foundation (@nssf.org)
3. Deputy Chief of Staff Beth Hollatz	3. Teton County Republicans (@tetongop.com)
4. Director of Scheduling Leslie Hicks	4. Teton County Republican Chair ( <a href="mailto:marymartin@bresnan.net">marymartin@bresnan.net</a> )
5. Executive Assistant Lana Blair	5. American Conservative Union (@conservative.org)
6. Executive Assistant Judy Davis	6. New York Republican Party (@nygop.org)
7. Executive Assistant Morgan Ness	7. Mike Lee for Senate (@leeforsenate.com)
8. Executive Assistant Morgan Weil	

	8. Matt Schlapp ( <a href="mailto:mschlapp@covestrategies.com">mschlapp@covestrategies.com</a> )
--	---

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding or responding to such emails are responsive to this request. In other words, for example, if Governor Noem received a mass-distribution news clip email from the National Shooting Sports Foundation that initial email would not be responsive to this request. However, if Governor Noem forwarded that email to another individual with her own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from December 1, 2021, through the date the search is conducted.

**Fee Waiver Request**

In accordance with S.D.C.L. § 1-27-36, American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Furthermore, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is “in the public interest.”<sup>1</sup> The public has a significant interest in out-of-state travel undertaken by Governor Kristi Noem. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the costs of and communications surrounding out-of-state travel undertaken by Governor Noem. American Oversight is committed to transparency and makes the responses agencies provide to open records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>2</sup>

### **Guidance Regarding the Search & Processing of Requested**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
