Re: Freedom of Information Act Request

Dear FOIA Coordinator:

Pursuant to Michigan's Freedom of Information Act (FOIA), as codified at Mich. Comp. Laws Ann. §§ 15.231 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Michigan Secretary of State's Office respond to this request for the following records within five business days:

Any final assessments, determinations, impact analyses, budgetary analyses, or evaluations, including but not limited to, memoranda, opinions, emails, or other information or communications, created by, shared with, or otherwise in possession of the Michigan Secretary of State's office regarding the breach of voting machines, at a minimum, in Irving Township, Lake Township, Richfield Township, or Roscommon County.¹

Please provide all responsive records from November 3, 2020, through the date of the search.

Fee Waiver Request

In accordance with Mich. Comp. Laws Ann. § 15.234(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request "is in the public interest because searching for or furnishing copies of the public record[s] can be considered as primarily benefiting the general public."²

² Mich. Comp. Laws Ann. § 15.234(2).

The public has a significant interest in the impact of breaches to voting machines in Michigan. Records with the potential to shed light on this matter will help American Oversight and the general public understand the actual or anticipated cost of the breaches to voting machines by election deniers in Michigan.

American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the general public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.³

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.⁴ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to the organization's investigations into misconduct and corruption in state governments;⁵ an ethics waiver received by a senior U.S. Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers;⁶ posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the federal administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;⁷ posting records regarding potential self-dealing at the U.S. Department of Housing & Urban Development and related

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹¹ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs.
