**Re: Public Records Act Request**

Dear Records Custodian

Pursuant to the Alaska Public Records Act, AS §§ 40.25.110 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Alaska Division of Elections produce the following records within five business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent or received by any of the Alaska Division of Elections personnel listed below, containing any of the key terms listed below. For this request item, please note that American Oversight does not object to the exclusion of communications exclusively internal to members of the Alaska state government.

Alaska Division of Elections Personnel:

- a. Carol Beecher, Director of Elections (or anyone communicating on her behalf, such as an assistant or scheduler)
- b. Carol Thompson, Division Operations Manager
- c. Brian Jackson, Election Program Manager
- d. Sharon Forrest, Administrative Officer

Key Terms:

- i. ERIC<sup>1</sup>
- ii. "Electronic Registration"
- iii. "Voter registration network"

- iv. Hamlin
- v. Haas
- vi. Whitt
- vii. Becker
- viii. “list maintenance”
- ix. ericstates.org

For request item 1, please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. In other words, for example, if Director of Elections Carol Beecher received a mass-distribution newsletter mentioning “list maintenance,” that initial email would not be responsive to this request. However, if Director Beecher forwarded that email to another individual with her own commentary, that subsequent message would be responsive to this request, and the complete email chain should be produced.

- 2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) any of the Alaska Division of Elections personnel listed in item 1 above, and (b) any of the external parties or representatives of any of the external entities listed below (including, but not limited to, anyone communicating from an email address containing any of the listed domains).

For request item 2, please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Director of Elections Carol Beecher received a mass-distribution news clip email from The Heritage Foundation, that initial email would not be responsive to this request. However, if Director Beecher responded to or forwarded that email to anyone at one of the emails or domains listed above with her own commentary, that subsequent message would be responsive to this request, and the complete email chain should be produced.

3. Records reflecting any final formal or informal directives or guidance concerning any of the following matters:

  - b. any amendments or alterations to the bylaws or membership agreements of ERIC;

4. All final assessments, reports, analyses, or recommendations in your possession (including formal memoranda and other written products)

For request items 1 through 4, please provide all responsive records from January 1, 2023, through the date the search is conducted.

5. All text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, Twitter direct messages, Facebook Messenger, WhatsApp, Signal, Telegram, or Parler) sent or received by any of the Alaska Division of Elections personnel listed in item 1 above (whether on government-issued or personal devices), concerning any government business.
6. Any record of any telephone calls made, received, or transferred to or by Director of Elections Carol Beecher, or anyone communicating on her behalf (such as an assistant, secretary, or scheduler). This request includes any detailed billing information or phone records received by the Division of Elections from any telecommunications provider for (a) state-owned/leased phones maintained by the Division of Elections, and (b) personal phones or devices to the extent they are used to conduct official business. American Oversight does not object to the redaction of personal telephone calls.

For request items 5 and 6, please provide all responsive records from March 1, 2023, through March 10, 2023.

7. All calendars or calendar entries for Director of Elections Carol Beecher, including any calendars maintained on Director Beecher's behalf, from January 1, 2023, through March 31, 2023.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in

files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request.
