Re: Public Records Request

Dear Custodian of Public Records:

Pursuant to the Iowa Public Records Law, Iowa Code, Ch. 22, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Iowa Office of the Governor produce the following records promptly, or as soon as feasible:

1. Records reflecting all expenses and costs incurred related to travel undertaken by Governor Kim Reynolds.

To the extent your office has aggregated records sufficient to show all relevant expenses and costs, such as spreadsheets, American Oversight would accept production of such records as sufficient. To the extent your office does not have an aggregated record of travel costs, American Oversight requests records reflecting those costs, such as receipts, invoices, charge card or credit card statements, and reimbursement requests.

Relevant expenses may include, but are not limited to, hotel or other lodging costs; costs for air travel, rental car, or other transportation companies; costs incurred for government transportation; the cost of meals or refreshments; and per diem payments made to Governor Reynolds or any staff, family, or invited guests accompanying Reynolds on these trips.

2. All records reflecting any actual or projected expenditures for renovations or redecorations (including remodeling or changes to décor) of any part of the office suites (including foyers, waiting rooms, conference rooms, adjacent hallways, or other common areas) or residences for Governor Reynolds.

For parts one and two of this request, please provide all responsive records from May 24, 2017, though the date the search is conducted.

3. All calendars or calendar entries for Governor Reynolds including any calendars maintained on her behalf.

American Oversight requests that the calendars be produced in a format that includes all invitees, any notes, and all attachments. Please do not limit your search to Outlook calendars; we request the production of any calendar—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how Reynolds allocates her time on official business.

The search should include any calendars associated with Reynolds' individual email accounts, as well as any official calendars maintained for Reynolds, including by administrative assistants or schedulers.

For part three of this request, please provide all responsive records from January 1, 2022, through the date the search is conducted.

4. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) sent by Governor Reynolds or anyone communicating on her behalf such as a Chief of Staff, assistant, or scheduler to any email address ending in .com, .co, .us, .net, .org, .mail, .edu, .law, .legal, .ch, and .me.

For part four of this request, please provide all responsive records from January 1, 2023, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted

using unofficial systems or stored outside of official files are subject to the Public Records Law.¹

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Conclusion

American Oversight is a 501(c)(3) nonprofit with the mission to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public
