Re: Public Records Law Request

Dear Assembly Clerk Blazel and Speaker Vos:

Pursuant to Wisconsin's public records law, Wis. Stat. §§ 19.31–19.39, American Oversight makes the following request for copies of records.

Requested Records

American Oversight requests that the Wisconsin Assembly and Speaker Vos produce the following records “as soon as practicable and without delay”:¹

Please provide all responsive records described below from October 21, 2022, through the date the search is conducted.

All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp), telephone call logs, calendar invitations, calendar entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) sent or received by Representative Robin Vos (or anyone communicating on his behalf) or anyone communicating on the Assembly's behalf regarding OSC.

This request should be interpreted to include, but not limited to, records relating to:

¹ Wis. Stat. § 19.35(4)(a).

1. Costs incurred by the Assembly in association with OSC's continued activity.
2. Communications with anyone acting on behalf of OSC.
3. Communications with or regarding former Special Counsel Michael Gableman.
4. Communications with any email addresses ending in @wispecialcounsel.org, or any other email addresses associated with OSC's current or former employees, contractors, or volunteers.

Please note that these are exemplar categories only and should not be interpreted to limit American Oversight's request for records reflecting *all* communications sent or received by the parties described above regarding OSC.

Please also note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Speaker Vos or someone acting on behalf of the Assembly received a mass-distribution news clip email referencing the closure of the OSC investigation, that initial email would not be responsive to this request. However, if Speaker Vos or someone acting on behalf of the Assembly forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

Fee Waiver Request

In accordance with Wis. Stat. § 19.35(3)(e), American Oversight respectfully requests that the records be produced without charge. Providing American Oversight with a waiver of fees is in the "public interest" because American Oversight will, in accordance with its organizational mission, make the records available to the public without charge. These disclosures will likely contribute to a better understanding of relevant government procedures by the general public.

American Oversight's work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. Rather, American Oversight's mission is to serve the public by promoting transparency in government, educating the public about government activities, and ensuring the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media.² American Oversight also makes materials it gathers available on its public

The public has a significant interest in the Wisconsin Assembly's investigation of the November 2020 election.⁵ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including regarding the ongoing costs associated with the investigation. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

American Oversight asks that if its request for a fee waiver is denied in whole or in part, that you contact us prior to incurring any costs.

Guidance Regarding the Search & Processing of Requested Records

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term "record" in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of the authority's officer or employee constitutes a record for purposes of Wisconsin's public records laws.⁶

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.⁷ If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

American Oversight expects that you have ensured all responsive records and records relevant to this request and your compliance with it are retained as required by Wisconsin law. Please take all appropriate steps to ensure that no such records are deleted by the agency before the completion of processing for this request. If records potentially responsive or relevant to this request, or your compliance with it, are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request.
