Re: Public Records Request

Dear Public Records Officer:

Pursuant to Article I, section 24(a), of the Florida Constitution, and Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office promptly produce the following:

1. All email communications (including emails, email attachments, complete email chains, and calendar invitations) sent by the Florida Governor's Office officials listed below containing any of the key terms listed below.

Florida Governor's Office Officials:

- i. Chief of Staff James Uthmeier
- ii. Deputy Chief of Staff Melissa Smith
- iii. Deputy Chief of Staff Katie Strickland
- iv. Deputy Chief of Staff Alex Kelly
- v. Senior Advisor Drew Meiner
- vi. Director of Policy and Budget Chris Spencer
- vii. Director of Legislative & Intergovernmental Affairs Stephanie Kopelousos
- viii. Communications Director Taryn Fenske
- ix. Senior Advisor Larry Keefe

Key Terms:

- a. "state resources"
- b. "state office"
- c. campaign
- d. "Ron-A-Rama"
- e. "Ron-O-Rama"

For part one of this request, in an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the specified officials. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a specified official's response to an email containing a key term and the initial received message are responsive to this request and should be produced.

2. All text messages or messages on messaging applications similar in form to text messages (such as Signal, WhatsApp, Facebook Messenger, Twitter direct messages, etc.) sent or received by the Florida Governor's Office officials listed below, containing the key terms specified in part 1.

Florida Governor's Office Officials:

- i. Chief of Staff James Uthmeier
- ii. Deputy Chief of Staff Alex Kelly
- iii. Director of Policy and Budget Chris Spencer
- iv. Communications Director Taryn Fenske

To be clear, American Oversight requests that full text message threads/conversations be produced. For example, if Uthmeier sent or received a text message containing any of the key terms listed above, the complete thread/conversation for the timeframe listed below should be produced, and not just the message containing the key term.

For both parts of this request, please provide all responsive records from March 1, 2023, through May 26, 2023.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics.

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails or texts conducting government business sent or received on the personal account of the government official constitutes a record for purposes of Florida's public records laws.¹

In addition, American Oversight insists that your agency use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to

work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Section 119.12 Notice

This document provides written notice identifying American Oversight's public records request to your agency's custodian of public records in compliance with Section 119.12(1)(b) of the Florida Statutes. Should your agency fail to comply with its obligations under Florida's public records laws, American Oversight may be prepared to file suit to enforce the provisions of Fla. Stat. Chapter 119.
