Re: Arkansas Freedom of Information Act Request

Dear Custodian of Records:

Pursuant to the Arkansas Freedom of Information Act of 1967, Ark. Code § 25-19-101, I, a citizen of Arkansas, make the following request to the Arkansas Department of Education (ADE).

Requested Records

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (A) the Arkansas Department of Education officials listed below and (B) anyone communicating from an email address ending in lrsd.org, jnpsd.org, nlrdsd.org, jonesboroschools.net, or estemschools.org.

ADE Officials:

1. Secretary of Education Jacob Oliva, or anyone communicating on his behalf
2. Chief of Staff Courtney Salas-Ford
3. Deputy Commissioner Stacy Smith
4. Assistant Commissioner of Learning Services Kiffany Pride
5. Chief Legal Counsel Andres Rhodes
6. Director of Curriculum Projects Amy Counts
7. Public School Program Advisor Kandys Triplett
8. Administrative Analyst LaToya Macon

Please note that I do not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. For example, if Secretary Oliva received a mass-distribution news clip email from an email address ending in lrsd.org, that initial email would not be responsive to this request. However, if Secretary Oliva responded to or forwarded that email to another individual at a listed email domain with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from August 25, 2023, through September 15, 2023.

Fee Waiver Request

In accordance with Ark. Code Ann. § 25-19-105, I request a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

I request a waiver of fees because disclosure of the requested information is in the public interest.¹ The public has a significant interest in the ADE's decision to remove AP African American Studies from the state's approved course list.² Records with the potential to shed light on that decision, as well as on Secretary Oliva's request for statements and materials from school superintendents, would contribute significantly to public understanding of operations of the government, including input, if any, of external actors. I am committed to transparency and intend to make records provided in response to this FOIA request publicly available, and the public's understanding of the government's activities would be enhanced through publication of these records.

This request is primarily and fundamentally for noncommercial purposes. I am a Little Rock resident who cares about public education and our local schools, and my request for these records has no commercial purpose.

Accordingly, I qualify for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with my request for records, I provide the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. I seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

- My request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email, unless otherwise noted above.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
