Re: Sunshine Law Request

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. § 610.010 et seq., and Section 8 of the National Voter Registration Act of 1993 (NVRA), American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Missouri Office of the Secretary of State produce copies of the following records within three business days:

1. Any requests for proposals prepared by the Missouri Secretary of State seeking vendors for cross-state voter data sharing programs or systems that may serve as an alternative, supplement, or replacement to products and services received through Electronic Registration Information Center (ERIC) membership.
2. A complete copy of any proposals received by the Missouri Secretary of State from vendors for cross-state voter data sharing programs or systems to serve as an alternative, supplement, or replacement to products and services received through ERIC membership.
3. A complete copy (including any attachments) of any contract or subcontract, amendment, memorandum of understanding, or other written agreement between Missouri (including the Missouri Secretary of State or any other political sub-divisions of the State of Missouri) and any external entities (including other states or private sector providers) for cross-state voter data sharing programs or systems to serve as an alternative, supplement, or replacement to products and services received through ERIC membership.
4. Records of any projected or actual costs of cross-state voter data programs or sharing systems acting that serve as an alternative, supplement, or replacement to products and services received through ERIC membership.

5. A complete copy of any invoice from or payment to the United States Postal Service (USPS), National Change of Address (NCOA), Social Security Administration (SSA), or any other external entity regarding data use for cross-state voter data sharing.

Records responsive to part 5 of this request should include, but are not limited to, invoices or payments for non-ERIC lists, reports, spreadsheets, or other forms of aggregated data used for purposes of ensuring the accuracy and currency of official lists of eligible voters as required by the National Voter Registration Act of 1993 (NVRA).¹

For all parts of this request, please provide all responsive records from August 1, 2023, through the date the search is conducted.

If American Oversight's request for a fee waiver or reduction, below, is not granted in full, please contact us immediately upon making such a determination. **Please notify us of any anticipated fees or costs in excess of \$50 prior to incurring such costs or fee.**

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver or reduction of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver or reduction of fees because disclosure of the requested information "is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body."² The public has a significant interest in Missouri's consideration of alternative cross-state voter data sharing systems after its withdrawal from ERIC.³ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including potential replacements for ERIC. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.⁴ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.¹¹
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of

the requested records.¹² If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005.
